Swim Team Total (Please transfer this total to your membership form.) \_\_\_\_\_

*Welcome to the 2018 season! After much thought and consideration, we decided it was time to raise swim team fees. It has been more than 10 years since fees were raised, and, in order to maintain reasonable salaries for quality coaches, purchase meet ribbons, and keep the swim team party free, we decided to raise fees. The first and second swimmers are now \$50, third swimmer is \$30, with a maximum of \$150 per family. So if you are registering more than 3 swimmers, you will pay \$150 for swimmer fees. We raised the concession fee from \$10 to \$20 per family in order to help offset the costs of beverages and supplies.*

*Volunteer Policy: by registering for the swim team, your family is committing to volunteering at swim meets. Each family will be required to have one member volunteer per meet (any family member or extended family member). Thanks in advance for your cooperation and support.*

We will use e-mail addresses only for passing information to you about the swim team.

We are going to have our Grub Burger and Chick-fil-a fundraisers again, and added a family fun night out at the Blue Rocks fundraiser. Another addition is a Christmas in July party for the last practice of the season.
